A CRIME AGAINST SCHOOL CHILDREN

Teachers of State, Hostile to
Johnson for Neglect of
Schools, will Vote for
Fredericks

One of the interesting developments of the present political campaign, involving political activity on the part of persons who ordinarily do not interest themselves beyond the exercise of the right to vote, is the very definite determination of school teachers and those interested in educational matters, to aid in the defeat of Governor Johnson. The development of this opposition is particularly interesting in view of the fact that Johnson has been making a special appeal to the teachers for their vote on the grounds that he signed the Teachers' Pension Bill. The facts concerning the Pension Bill are, as one prominent educator recently pointed out, that Johnson vetoed the measure in 1911, and only signed it in 1913, because of the pressure brought to bear by women teachers who had in the meantime been enfranchised, and whose power as a political factor Johnson feared and felt constrained to respect.

The 14,000 primary and grade teachers of California, the 9000 school trustees, and the thousands upon thousands of parents who have children in the grade schools have a very just grievance against Governor Johnson, for his neglect of the common schools. Although the tax rate has been increased, and the revenue of the state government is greater than ever before, the schools have not been permitted to enjoy any benefits derived therefrom.

Johnson's Crime Against Children. In 1911, the state gave the schools \$5,290,944.86. Two years later, under the Johnson administration, the schools received only \$5,195,268.50, although the average daily attendance in 1911 was only 263,402, while in 1914 it was 319,240. This neglect of the schools has been rightfully called "Johnson's crime against the children of California."

Every little rural school has had to make sacrifices. Counties have had to raise extra money to meet deficits. In San Francisco, the salaries of several hundred school teachers actually were lowered.

Under previous administrations the state board of education suffered without remuneration: under Johnson's administration the members—many of them "Progressives"—received \$15.00 per day, and expenses. The board also employs three commissioners at \$4000.00 per year. The teacher in the grades, however, must struggle along on a meager salary, and children are denied proper educational facilities. At various times during the last session of the Legislature, many prominent school officials and educators begged the Johnson administration for a more liberal support of the public schools. It was not granted. The fact that those who made this plea were Republicans may or may not have been considered by the administration in refusing to grant the request.

Home Industry Neglected. It has also been pointed out that although Governor Johnson signed the Home Industry Law, which provides that preference be given to school books compiled and manufactured in California, not a dollar has been paid out to California text book writers or manufacturers, but, on the contrary, more than \$400,000 of the people's money has been sent East each year. The greater portion of this sum, it is said, goes to the American Book Company, which, incidentally, is a concern alleged by the Typographical Union to be unfair.

As a sample of the methods employed by the administration in its frantic efforts to get votes at any cost, an attempt was recently made to induce the women school teachers of San Francisco to support Johnson by means of a letter bearing the signatures of a self-appointed committee of three teachers who begged support for Johnson on the pretext that he was solely responsible for the Teachers' Pension Bill. The letter bore the signatures of Miss Louisa F. Bray, a teacher in the Hearst School; Miss Alice Rose Power, a teacher in the Edison School, and Miss Margaret C. Burke of the Hancock School. The word "Committee" precedes these three signatures, but investigation developed that the San Francisco teachers have never appointed a committee to boost for Johnson, which would seem to indicate that there was no authority delegated to the three signers to justify their use of the word "Committee."

Teachers Favor Fredericks. Although the signers said the movement was purely a personal one, actuated by "affection and affection," their letter contained a return envelope bearing the printed address of the Johnson-Ehleman Non-Partisan Club, 908 Market street, and also a card which the recipient was expected to sign and which pledged the signer to vote for Johnson and Ehleman at the November election. Needless to say the teachers of San Francisco have taken decisive action against this attempt to misrepresent them. It is said that there is a plan on foot to endorse John D. Fredericks, whom most of the teachers favor.

THE NEW HATS ARE WORTHY OF OUR ENTHUSIASM AND OF YOURS, TOO

It doesn't matter whether it's a small or large hat that becomes you most—fashion has said that the one is equally as smart as the other. There is keen rivalry between the large hats and the close fitting boat and Russian turbans—and neither seems to have gained greater popularity than the other.

If the large hat becomes you most, you'll find them here a plenty—some with velvet—others of plush—some with just a stunning wing or quill—others with feather fancies or ribbon bows—and if it's the close fitting, jaunty little turban that you like best, you'll find scores and scores of them—boat turbans and Russian turbans in oh, so many different effects and so many different materials and colors and with so many trimmings, your only trouble will be to find which becomes you most. The range in price is broad enough to suit every purse.

We want you particularly to see the hats we are showing at \$5.00, \$7.00, and at \$12.00 and more; and the untrimmed hat shapes at \$1.95 and up.

Time to Get Down to Business.

It is undoubtedly to the best interest of the industries of California that the state should return to its place in the Republican column, if for nothing else than the influence that result will have in shaping the future policy of the national administration. The free trade policies of the Democratic party have already seriously affected our industrial development. Scarcely an important industrial enterprise of the state has escaped the effects of free trade tariff tinkering—leading to financial stagnation and business depression and throwing countless numbers of mechanics and laborers out of employment.

There are, however, other and perhaps stronger reasons, affecting our citizens locally, which demand the election of Captain Fredericks and retirement of the present state administration. The conduct of the affairs of the state must be wrested from the extravagance of the political machine and returned to business principles. If the business and property interests of the state are to be saved from the ruin which inevitably follows overtaxation—the result of its affairs for the furtherance of political ambitions—Governor Johnson and his coterie of followers must be retired. An end must be put to the building up of expensive commissions and administrative offices for the purpose of providing places for political henchmen. Men who are kept in office at the expense of the people must be required to attend to the duties for which they are paid from the money of the general taxpayer, instead of spending for the greater portion of their time traveling over the state in the interests of the individual to whom they owe the privilege of drawing fat salaries for work which they are not performing.

That many of the departments of state government can best be conducted through the medium of commissions, no considerate person will question. Modern experience in governmental affairs, both of states and lesser political divisions, have in most cases demonstrated the efficiency of this method of transacting public business. But if these commissions are to be of public benefit they must be divorced from the influences of personal politics—the members of these commissions must be made to realize that they are the servants of the whole people, not the tools of an individual appointive power seeking personal perpetuity in office.

To show that the administration of Governor Johnson has been an unduly extravagant one, needs but a cursory comparison of the figures of the cost of maintenance of the state government during his administration, with those of his immediate predecessors as shown by the official records in the office of the State Controller. During the four years of the control of Governor Johnson the legislative appropriations totaled \$36,699,827. During the same period of the administration of Governor Gillett, whom he succeeded, the legislative appropriations totaled but \$24,766,077. From this it will be seen that the "reform" administration of Governor Johnson has added to the burden of the taxpayer the enormous sum of \$11,933,750 for the short period of four years. And even with these startling figures of increase it must be remembered that the Gillett administration was confronted with the extraordinary situation arising out of the San Francisco disaster, which necessitated the appropriation of very considerable sums of money for the reconstruction of state institutions, while on the other hand Governor Johnson's extraordinary expenditures of the money of the taxpayer cannot be explained by any extraordinary situations calling for special outlay.

For another glaring instance of Progressive "economy," take the payroll of state employees. During the term of Governor Gillett this amounted to a total of \$3,306,190. For the four years of the Johnson "reform" this item of state maintenance increased to a total of \$5,642,329, or the nice additional sum of \$2,336,139 added to the burden of the taxpayers of the state, and that at a time when they have been far less able to meet the demand.

Henry Ward Brown, the Republican candidate for the Assembly, has experience in legislative matters that will be of great benefit to him in the next legislature when questions of grave importance must be determined. He is honest, and a speaker of more than ordinary talent. While his election is certain, yet the voters should give him an overwhelming majority. Mr. Brown has represented this county at Sacramento for the past twelve years and has always looked after the interests of the people in a way that is sanctioned by everyone. He is a leader and has a strong following in every assembly session. He is the man for the place and by all means elect him with a sweeping plurality.

Every Republican is urged to vote for Jo V. Snyder, the Democratic nominee for Lieutenant Governor. There is no Republican candidate for that office, the nomination having been stolen by a Progressive. Vote for honest Jo Snyder.

Vote for Edward Hyatt for Superintendent of Public Instruction. He has originality and executive ability. He has had twenty years' experience as a superintendent. He will look out for the interests of YOUR CHILDREN.

John Douglas Murphey, by experience and training, is the best candidate for Justice of the Supreme Court. Judge Murphey knows law through having had experience in every branch of legal procedure. Vote for John D. Murphey. He is the best man in the field.

How many of the 48 amendments do you understand? How many of the 48 amendments will you vote on intelligently? Have you read the 103-page booklet, containing 130,000 words? Progressive legislation is responsible for this mass of useless junk. Vote for John D. Fredericks.

The Times-Gazette has received a copy of the Promotion Edition issued last Friday by the San Mateo County News and wishes to compliment the editors of that publication for their spirit of enterprise. The special edition consists of forty pages, well filled with booster articles and illustrations. Every section of the county was covered in the write-ups and nodoubt the edition will prove a big boost for our rapidly growing county.

Joseph R. Knowland has a record as a congressman that cannot be successfully assailed. He always stood up for California in the halls of legislation and fought the battles of the state when her rights were threatened and her industries menaced by Democrats who were working for free trade as far as it could be obtained in the tariff bill. Californians know Knowland and they know his record. He has always been a consistent and loyal defender of the people. His vast experience in legislative matters will make him a strong man in Washington to champion the people's cause.

UNDER FALSE COLORS.

As a result of the operations of the freak Progressive primary election law, the Democrats of this congressional district are without a party candidate for Congressman. L. D. Bohnett, whose name will appear on the official ballot at the coming election as the Democratic candidate, is not a democrat, has never been a Democrat and, furthermore, never intends to become a Democrat. Registered as a Progressive, he obtained the apparent nomination as a Democrat by what most people would under ordinary circumstances consider fraud. Therefore, he has no claim upon Democrats for support.

Mr. Hayes, on the other hand, is honest and above board in his claim of political affiliation. He has made a conscientious and efficient Congressman and the only objection a Democrat can make to him is his politics. Between Mr. Hayes and Mr. Bohnett, Mr. Hayes will, and rightfully should, receive the support of the thoughtful Democrats.

GOOD WORK APPRECIATED.

To the credit of San Mateo county the political situation is undergoing a decided change. The voters realize that if they want the affairs of the various county offices properly attended to; if they want the laws honestly, fearlessly and efficiently discharged, only those who are the most qualified should receive their support. As the political campaign is drawing to a close the enthusiasm for Michael Sheehan is increasing so rapidly that his election as Sheriff seems practically assured. This efficient officer is not only appreciated for his excellent work as a constable and probation officer during the past twelve years by the people of San Mateo county but likewise his fitness, which he shows in the careful attention to his duties, has gained for him marked recognition in political circles throughout the State. Therefore, when Sheehan's splendid record as a police and probation officer is taken into consideration it is most natural that the appreciation of the voters of this county will be expressed most forcibly when they give Sheehan a big majority at the November election and it will be a greater matter of honor than that which he received at the primary when he led in the race against the present incumbent.

Attorneys Endorse Richards.

The Bar Association of San Mateo county at a meeting held yesterday, unanimously endorsed the candidacy of Judge John E. Richards who is a candidate for justice of the appellate court. He now holds the position through appointment. Following are the resolutions in full:

"We, the undersigned, attorneys at law, and residents of the County of San Mateo, do hereby endorse Honorable John E. Richards as a candidate to succeed himself as associate justice of the district court of appeal, First appellate district of this state, and recommend him for election to said office, and state that in our judgment the electors of said district will serve themselves by voting for Judge Richards. IMPROVING PLANS
START ARGUMENT
Trustees Unable to Agree Upon
Plans for Street Paving for
Redwood Highlands.

Although attended by but few spectators, the meeting of the city council last Monday evening proved one of more than usual interest to owners of property, especially those interested in districts which have not yet been reached by the street improving campaign which has been prosecuted during the past two years. With a full board of trustees present, the question of an adequate pavement for streets in the residence districts of the city, a subject always debatable, was given another full discussion, without, as usual, any definite results.

The debate in this instance was the result of a report by Trustee Tuchen, chairman of the street committee, that the committee had been unable to reach an agreement on the specifications for the improvement of streets in Redwood Highlands submitted by the Geo. H. Irving Company, who had asked the approval of plans for the doing of a considerable amount of improving in the tract by private contract. According to the statement of Trustee Tuchen, the specifications had failed to meet the entire approval of two members of the committee, who seemed to be of the opinion that the pavement specified was not of sufficient depth to withstand traffic for a great length of time. In making the report Trustee Tuchen urged that before further improvements were sanctioned, the council should adopt specifications which would be accepted as a standard for the method of making such improvements. As opposed to this view, Trustee Deleau, also a member of the street committee, stated that after consulting men who were supposed to have had considerable experience in street construction he considered that the work proposed was ample for the section for which it was intended and fully up to that required in the past. These conflicting opinions opened a general discussion which was participated in by all of the trustees and which consumed fully two hours of the time of the session without securing any indication of a consensus of ideas. While conceding that water or macadam formed an excellent base for work of the character proposed, Trustee Tuchen, while admitting that he was not an expert in that line, contended strongly that a greater depth of foundation should be used and insisted that the specifications presented could not meet with his approval without material amendment.

Representatives of the Irving Company, who were present and took considerable part in the discussion, were urgent in their request that some decided action be taken at the meeting in order that the work might be proceeded with immediately and completed before the winter rains made the improvement impossible. In support of this request it was stated by them that the streets in that section if allowed to remain in their present condition during another wet season and that it was the desire of the owners of the tract to keep faith in the promise that the improvements should be made. As an evidence of the good faith of their plea, offers were repeatedly made to increase the depth of the foundation to any reasonable extent desired. It, however, was found to be impossible to reach an understanding and with an apparent desire on all sides to avoid unnecessary delay, the whole question was again referred to the street committee with power to act, it being the understanding that an endeavor should be made to reach an understanding which would avoid unnecessary delay.

Following the opening of the session and the approval of the minutes of Clerk the regular monthly reports of city officers were read and considered. The report of City Marshal Coleman showed that the collections of his office amounted to a total of \$4950.85, distributed among the various sources as follows:

Water rates	\$1642.95
Liquor licenses	2695.00
Water connections	100.00
Plumber's fees	15.00
Miscellaneous licenses	296.00
Taxes	145.25
Street Improvement Dist. 13	56.65

According to the report of City Treasurer Towne the general fund of the city is in a rather depleted condition, being overdrawn to the extent of \$5271.94. In the library fund there is a credit balance of \$1027.26, while the water fund is still \$1869.40 to the good.

The Plumbing Inspector reported that he had made several inspections during the month and the Pound Master reported that he had taken up one horse, one goat and four dogs.

After informing the council that he had been advised by his attorneys that technical information in the call for bids for the work might invalidate a contract if let, T. C. Rice was allowed to withdraw his bid for concrete work on the County road. As this was the only bid submitted the indications are now that the improvement of the city's portion of this street will be postponed until after the winter season. With this in view, the council instructed the street superintendent to submit plans and estimates of work necessary for the disposal of storm water at the intersection of Broadway and the County road.

Contractor T. C. Rice filed an appeal, asking for changes in the assessment roll of the improvement district created under resolution No. 12 to accord with recent

transfers of property. Hearing of the appeal was set for the next regular meeting.

Marshal Coleman filed his appointment of E. J. Arkush, the proprietor of the Bell theatre as a Deputy Marshal. The appointment was approved by the council.

Chairman Merrill called attention to the fact that the time indicated by the clock in the tower of the grammar school was often misleading, being very often several minutes behind standard time, frequently causing the missing of train connections. At his suggestion the City Mechanic was instructed to endeavor to secure from the school authorities a correction of the difficulty.

Street Superintendent Dickey reported that the bitumen pavement on Broadway was in need of extensive repairs and strongly suggested the advisability of constructing concrete gutters for the entire length of the paved portion of the street. He was directed to prepare and submit at the next meeting detailed plan of the work needed with an estimate of the cost.

At the suggestion of Chief Wintor of the fire department, City Attorney Mansfield was instructed to prepare a draft of a revised fire ordinance.

Trustee Deleau voiced considerable dissatisfaction with the dilatory methods of the Southern Pacific Railway in the matter of making promised improvements, especially in the improvement of the condition of Pennsylvania avenue and the want of protection at several dangerous street crossings. At his suggestion Attorney Mansfield was directed to urgently request that some official representative of the road be present at the next meeting of the council, when it is expected some definite action will be taken to secure a remedy.

SUPERVISORS HOLD REGULAR MEETING

The Board of Supervisors met in regular session Monday, October 19th, there being present Wm. H. Brown, presiding, Jas. T. Casey, John MacBain, Joseph M. Frances and D. E. Blackburn.

The minutes of the meeting held October 5 were read and approved. H. W. Phelps, representing the Southern Pacific Company, appeared before the board in response to the citation issued at the last meeting and expressed a willingness to make such improvements on the railroad crossings as would meet with the board's approval.

It was ordered, on motion of Casey, seconded by MacBain, that the Surveyor confer with the railroad officials as the character of work to be done.

The clerk was directed to again communicate with the United Railroads, asking that its representative also appear before the board in the matter of the maintenance of crossings.

M. F. Brown, chief of the motorcycle squad, reported having worked thirteen days and three nights, during which time no arrests were made. It was suggested that the board pass an ordinance compelling automobiles to dim their headlights and also require all vehicles to carry lights at front and rear.

Motorcycle Officer Vallejo reported having made two arrests to date for which fines amounting to \$25 were collected.

Motorcycle Officer Logan reported having worked thirteen days and three nights, during which time he made two arrests for which fines amounting to \$25 were collected. One case pending.

Mrs. Elizabeth D. Daly of Burlingame sent an application asking appointment as Mother's Pension Supervisor for the county. The communication was placed on file.

L. Boel of Colma complained, in a communication, that his property was being injured on account of the close proximity to it of the United Railroad Company's tracks. The communication was referred to the District Attorney.

Mrs. H. F. Secor, secretary of the Daly City Improvement Club, sent a communication calling the board's attention to the destitute condition of a family living at 414 Olivine avenue in that city. The communication was referred to Casey.

Thomas Kerr of Millbrae, 80 years of age, and representing that he was unable to earn a livelihood, asked for assistance from the Indigent.

On motion of Casey, seconded by MacBain, he was granted the usual allowance of \$8 monthly.

A petition, signed by N. T. Costa and others of Colma was received asking that two lights be placed on Station avenue, between Market and Vale streets.

The request was granted on motion of Casey, seconded by MacBain and the matter referred to the Gas and Electric Company.

A protest, signed by Mrs. Jos. W. Sals and others of Woodside was received, calling attention to the poor quality of rock that is being used for facing Albion avenue. The protest was ordered filed.

The following bids were opened for the construction of a concrete bridge in the Third township, near La Honda:

Savage Bros., \$6017.75.
Barret & Hilt, \$5308.50.
Blanchard-Brown Co., \$7684.70.

On motion of MacBain, seconded by Francis, the contract was awarded to Barret & Hilt.

The following bids were opened for the construction of a concrete bridge across the Purissima creek in the Fourth township:

Jas. Willison, \$7276.60.
Savage Bros., \$6758.80.
Gorrell and Tuohy, \$8707.90.
Barret and Hilt, \$8558.80.
W. H. Otto, \$7619.
A. Mattson, \$7958.40.

On motion of Francis, seconded by Blackburn, the contract was awarded to Savage Bros.

The financial report of the County Auditor was presented and ordered filed.

Supervisor Casey read a communication addressed to him by the Telephone Company in which the company stated that it was at present unable to supply him with a telephone. Mr. Casey also spoke of the high rental charged for phones in his locality.

On his motion, seconded by Blackburn, the Clerk was directed to call the attention of the Railroad Commission to the matter.

The bid of the Blanchard-Brown Company, presented at the last meeting, offering to construct 1.459 miles of the La Honda to San Gregorio road for \$14,503, which bid was laid over, was taken up for disposal.

M. B. Johnson of the Advisory Board stated that the Surveyor's estimate for this work was \$8973. The board should sustain its Surveyor and he recommended that the bid be rejected.

It was ordered on motion of Blackburn, seconded by Francis, that the bid be rejected and the clerk readvertise the contract.

The District Attorney presented a deed from Mrs. Dora Wilson, granting a strip of land sixty

feet wide through her property in the Fifth township for a county road. The deed was accepted and ordered recorded on motion of MacBain, seconded by Casey.

A communication was received from the United Railroads of San Francisco agreeing to pay the cost of paving Milliken street (formerly San Bruno road) for a width of eleven feet parallel with its track. The agreement was accepted on motion of MacBain, seconded by Casey.

An order was made on motion of MacBain, seconded by Casey, directing the payment to R. S. Thornton of \$2000 for right of way through his property in the First township for the county road.

District Attorney Swart presented a lengthy written opinion advising the board that it would be illegal to use the money from the General fund for the support of a branch of the State Library.

Geo. C. Ross presented a resolution which he had prepared at the request of the chairman, the purpose of which was a suggestion to the boards of election that they permit the several political parties to have representatives present during the counting of the ballots, the object being to obviate possible errors in tallying the votes.

The resolution was adopted on motion of MacBain, seconded by Casey.

George C. Ross presented a deed from Charles Holbrook, Mary Prior and L. Guggenheim granting to the county a strip of land at Atherton sixty feet wide, extending from El Camino Real to the railroad right of way, and an additional strip of land 50 feet wide, extending from the railroad right of way to the Middlefield road, which land forms what is known as Watkins avenue, a thoroughfare that has long been used by the public.

Accompanying the deed was a petition signed by the grantors and others, asking that the roadway be accepted and declared a public highway.

The deed was accepted and ordered recorded on motion of MacBain, seconded by Casey.

Judge E. F. Fitzpatrick presented a deed from the Spring Valley Water Company for a road to Lake Merced. The deed, dated September 30, 1909, had been lost and Judge Fitzpatrick presented a new one. Referred to the district attorney and surveyor.

An order was made on motion of Casey, seconded by MacBain, that the District Attorney examine in toto the county's ownership of Eighty-seventh, Eighty-eighth, Eighty-ninth, Ninety-first and Ninety-second streets in the Seventy-five Dollar Lot Homestead in the First township.

The protest of C. C. Tichenor presented at the last meeting against the use of his property at La Honda for county road purposes was taken up.

On motion of MacBain, seconded by Francis, Donald MacKenzie, representing the board, and C. M. Anderson representing Tichenor, were appointed to adjust the differences between Mr. Tichenor and the county.

District Attorney Swart called the board's attention to Amendment No. 34 which will be on the ballot at the coming election and recommended that it be supported. This amendment permits the tax-use of property owned by other counties. As an example, should San Francisco acquire the Spring Valley property this county would be permitted to assess the lands located here as usual, the improvements, however, being exempt from taxation.

Ordinance No. 270, regulating automobiles, was presented by the District Attorney and adopted on motion of Blackburn, seconded by Casey. The ordinance does not require the dimming of automobile lights but as a precaution against accident makes it obligatory that all other vehicles carry front and rear lights.

Neuman reported the following roads completed and ready for the board's acceptance: Belmont road, constructed by Hess and Benson; San Bruno road, constructed by Blanchard-Brown Company; road from R. S. Thornton's residence to Mission road, First township, constructed by Blanchard-Brown Company.

The roads named were accepted on motion of Casey, seconded by Blackburn.

The Surveyor complained that Daudi & Co., of Granada; Martini

First Preferred Dividend Notice No. 1 Pacific Gas and Electric Company.

A meeting of the Board of Directors has been called for 12:00 o'clock noon, October 31, 1914, for the purpose of declaring a dividend (No. 1) of \$1.50 per share upon the full-paid First Preferred Capital Stock of this company, for the quarter ending October 31, 1914, payable on November 16, 1914, to stockholders of record at 12:00 o'clock noon, October 31, 1914. Checks for the dividend will be mailed.

The Transfer Books will not close and owners desiring checks payable to themselves should have stock certificates issued in their own names on or before the last mentioned date.

D. H. FOOTE, Secretary of the PACIFIC GAS AND ELECTRIC COMPANY. San Francisco, California, October 10, 1914.

GAS AND ELECTRIC COMPANY DECLARES FIRST DIVIDEND

The 3500 or more subscribers to the new First Preferred 6 percent stock of the Pacific Gas and Electric Company will be interested in the notice appearing in this issue, of the declaration of the first regular quarterly dividend of \$1.50 per share, for which checks will be mailed on November 16th to all subscribers who paid the full purchase price for their stock before August 15th. This establishes the regular quarterly dividend payment dates as of the middle of November, February, May and August.

The officers of the company state that the financial situation is clearly indicated by the increasing orders which are being daily received for this stock. In order to meet this continuing demand they announce that the privilege of purchasing this high grade investment security directly from the company at the minimum price authorized by the Railroad Commission, namely: \$82.50 per \$100 share, will be continued until further notice or until the amount of stock available for this purpose has been disposed of.

Announcement is also made by the company that the thirty-fifth consecutive quarterly dividend will also be paid on its junior preferred stock on November 16th. Inasmuch as the new preferred stock which the company is now offering, comes ahead of the junior preferred stock, the nine years dividend record on the junior stock affords a good idea of the exceptionally strong investment position of the new issue.

The Native Sons announce a grand ball to be given at Foresters' hall on the night of the 31st instant. A fine orchestra will supply the music.

SIMPLY because a suit or overcoat is cleverly styled and low priced many men think they buy a bargain. Don't think that high style and low price spell satisfaction. Look for clever style, a moderate price and true quality, then you're absolutely safe and satisfied.

ASTHMA AND HAY FEVER A GUARANTEED TREATMENT

"I have arranged with P. A. Ryan so that every sufferer from Asthma, Hay Fever or Bronchial Asthma in Redwood City can try my treatment entirely at my risk," Dr. Rudolph Schiffmann announces. He says: "Buy a 50-cent package of my Asthmador or Asthmador Cigarettes, try it, and if it does not afford you immediate relief, or if you do not find it the best remedy you have ever used, take it back to P. A. Ryan and they will return your money, cheerfully and without any question whatever. After seeing the grateful relief it has afforded in hundreds of cases, which had been considered incurable, and which had been given up in despair, I know what it will do. I am so sure that it will do the same with others that I am not afraid to guarantee it will relieve instantaneously. The druggist handling Asthmador will return your money if you say so. You are to be the sole judge and under this positive guarantee, absolutely no risk is run in buying Asthmador." Persons living elsewhere will be supplied under the same guarantee by their local druggist or direct by Dr. R. Schiffmann, St. Paul, Minn. Advt.

Notice of Sale of Real Estate by Commissioner.

In the Superior Court of the County of San Mateo, State of California.

Mabel Freeman, executrix of the last will and testament of Abraham Clark Freeman, deceased, substituted as plaintiff herein in place of said Abraham Clark Freeman, plaintiff vs. Investor, a corporation, Grace F. Humphrey, Edgar C. Humphrey and George C. Ross, defendants, and George C. Ross, cross-complainant.

Notice of Sale of Real Estate by a Commissioner. Appointed by the Court to sell the real estate herein described to satisfy a judgment and decree foreclosing the lien of a mortgage.

Under and by virtue of an order of sale and decree upon foreclosure of a lien of a mortgage, issued out of the Superior Court of the County of San Mateo, State of California, on the 24th day of October, 1914, in the above entitled action, wherein Mabel Freeman, the executrix of the last will and testament of the estate of Abraham Clark Freeman, deceased, substituted as plaintiff in said action in place of said Abraham Clark Freeman, who obtained a judgment and decree against the Investor, a corporation, Grace F. Humphrey, Edgar C. Humphrey and George C. Ross, defendants, and George C. Ross, cross-complainant, on the fifteenth day of September, 1910, and which judgment and decree was affirmed on the 22nd day of September, 1910, and recorded in Judgment Book 7 of said Court, at page 19, on the same day, an order was made to sell—

All those certain lots and parcels of land situated in the County of San Mateo, State of California, and known, designated and described as—

Lots Numbers Twenty-three (23), Twenty-four (24), Twenty-five (25), Twenty-six (26), Twenty-seven (27) and the authority two-fifths of Lot Number Twenty-two (22), as shown on that certain map of said Blake Tract, recorded on page 44 of Map Book No. 2 of the records in the office of said County of San Mateo, California.

Further notice is hereby given that on the 15th day of November, 1914, at one o'clock P. M. of said day, in front of the County Court House of said County of San Mateo, in Redwood City, California, I, H. W. Schiaberger, the Commissioner appointed in said action for the purpose of making said sale, will in obedience to said order of sale and decree, sell the above described property, or so much thereof as may be necessary to satisfy said plaintiff's judgment, with interest thereon, and costs, to the highest bidder for cash in gold coin of the United States.

H. W. SCHIABERGER, Commissioner appointed by the above entitled Court, in the above entitled cause, to make the sale of the above described premises and make a return thereon to said Court according to law.

To Please the Palate
is our aim in serving meat—to retain
the fine flavor Nature bestowed, not to
let it go to waste, as some meatshops do.
With prolonging this true tale, it
may be set down for a fact that here is
to be found a first-class place to pur-
chase beef, mutton, lamb, ham, poultry
and game, to give your table good credit
with household and guest.

Interesting Notes Picked Up By
Hustling Reporters in the
County Districts

HAPPY LA HONDA
LA HONDA, Oct. 21.—We awoke
with a start yesterday morning
to hear guns popping away to the
north, east, south and west of us.
Quail and duck season has arrived.
And, to say, quail are so plentiful,
well—actually they roost on the
trees and even inside our hen yards
and feed with the chickens. Know-
ing this is a grand section for
quail and rabbits, lots of merr-
y hunters are here, most of them
to stay a week or two.

Among the notables with us are
Phil Hillebrand, Redwood City; H.
Dohrmann and M. Scamini of San
Francisco. The latter is stopping
at the Quail ranch.
Ben Allen of Palo Alto is shoot-
ing near the Woodruff, where he
is registered.

Other jolly hunters are Al Tal-
lant, C. E. Peterson, Frank Prade-
tette and B. W. Taylor of the
metropolis. They are well satis-
fied with their bags of game.
Albert E. Summerfield from San
Jose, after spending a few days
at La Honda tent city, took home
some nice fat quail and rabbits. He
is a popular commercial traveler
for a big flour firm and he is wel-
comed here monthly.

There will be a new Sear's ho-
tel here next summer. The annex
is rapidly being completed and will
be ready shortly.

M. T. Dooling Jr. of San Fran-
cisco and J. L. Duff of Menlo are
at Sear's, as is also W. H. Cam-
eron of the "Chronicle." The game
latter is hunting in summer re-
sort and he is getting the limit.
J. W. Smith and wife and son
Clark from Cove, Oregon, have
pitched their tent and will halt
here for some time on their tour
of the state.

Miss Myrtle Olsen of San Fran-
cisco, is the guest of Mrs. Charles
Cavalli. She must be quite a
popular young lady from the
looks of the mail she carries away
daily from our post office.

SAN Geronimo.
The masquerade ball given by
the W. W. T. K's last Saturday eve-
ning was a great success as well
as a most enjoyable affair. Many
original and handsome costumes
were worn. Prizes were awarded to
the following: Tony George of
Pescadero, representing "The God-
dess of Liberty;" Joe Alvis, "cof-
fee and doughnut vender;" Eric
Aleford and Miss Maroney, most
elaborate costumes; Antonio Smith,
four prize. The club intends giving
another dance soon, so the young
folks are happy.

Dan Burke, the genial blacksmith
of Mountain View, and his family
returned home after a week's stay
in Pomponio. Mr. Burke had in-
tended remaining longer, but he
secured the limit of quail so often
that he carried the game away to
his many friends in the valley.

Charley Swall says he will stay
summer if necessary to do as well
as his friend, Burke.
George Elkerenkotter and his
nephew, Walter Elkerenkotter, fin-
ished a successful hunt the first
of the quail season.

Messrs. Chatham, Flynn, Mc-
Sweeney and Hayward of Redwood,
spent several days on the coastside,
recently on a hunting trip. Since
their coming the quail are scarce.

Mr. and Mrs. John P. Rosa of
Concord, Contra Costa county, are
visitors with Frank Andrade and
family.

Mr. and Mrs. A. Taylor of Pom-
ponio have been away for several
days to their property in Sacramen-
to county.

Chas. Baird came up from Swan-
ton for an indefinite stay with his
family on the Roe ranch.

Mrs. B. Fessler Sr. of Pomponio,
has had a pleasant visit from
her daughter, Mrs. Reichmuth of
Knights Landing.

Walter Meyer and Bert Stafford
of San Francisco spent a few days
of last week with their friend Chet
Barker.

Mrs. Pat Cardoza, Mrs. A. Car-
doza, Mrs. Danner and Miss
Josephine Nouray of Halfmoon
Bay, spent a few hours here with
relatives last week.

Mrs. Joe Sequera and daughter,
Mrs. Henry Arnold, and Manuel
Sequera of San Mateo, spent Sun-
day with friends here.

COLMA INFORMATION
COLMA, Oct. 21.—Walter Fahey,
Sr., one of the land-marks of the
San Pedro country, was laid to
rest in Holy Cross cemetery last
Friday. He is about the last of the
sturdy pioneers of this locality.
With him passes away much unwrit-
ten history. He was the father of
the popular William Fahey who
died about a month ago. Of his
children there remain to mourn
his departure John, Walter, Thomas
and Martin Fahey and a daughter,
Mrs. Welton, and several grand-
children.

All is in readiness for the
Druids' ball next Saturday evening.
It is such a long time since all
the happy people were gathered to-
gether, this affair ought to be worth
while. Let's all be there and
make it a big success. The more
the merrier.

The Native Sons are busy getting
ready for their masquerade, which
they propose to make the event of
November. Their posters are ev-
erywhere.

Father Michael Clifford's friends
in San Francisco are getting up
a big entertainment to provide funds
to add to his comforts in this pa-
rish. He deserves such fine ap-
preciation. Before Christmas, he
will be well provided.

The eleven have been busy
again. This time they stole har-
ness and a saddle from Ben Green
and a horse and wagon from A.
Blanchini, also blacksmith tools

from the highway shop near Holy
Cross. Next they will steal the
furniture from the houses and af-
ter that the houses themselves.
There seems to be no limit to their
boldness. For protection a number
of our people are about to purchase
a few machine guns, in order to
save the houses.

Sam Hutchinson has recovered
from his awful beating at the hands
of a hold-up man. Sometimes he
says he's glad his pistol was too
rusty to work; but all his friends
are sorry.

The rain last Friday evening
was welcome. It washed the soiled
air, laid the dust, and freshened
us all.

It is said that 700 tickets for the
musical entertainment have been
sold already. If everyone attends
what a big crowd will be present.

Gets a Charge of Quailshot
Arnold Vincent of this city was
accidentally shot Sunday by his
nephew on the ranch of his brother
at Mountain View. About fif-
teen quail shot lodged in the back
of his head and were extracted by
the physician who was summoned.
Vincent was engaged in conversa-
tion with his brother in the latter's
orchard when the accident oc-
curred. The nephew was standing
at some distance when the gun was
discharged and had been closer,
Vincent would probably have been
seriously wounded or possibly
killed.

"Smooth, Scenic, Sunny."
The committee composed of Geo.
W. Hall, C. O. Ellingwood and Chas.
N. Kirkbride, appointed by the De-
velopment Association to select a
suitable title for San Mateo county,
met in San Mateo Tuesday and
after examining those submitted by
a large number of correspondents
selected the title offered by Morton
Moore of Burlingame, "Smooth,
Sunny San Mateo county," and
awarded the prize of \$10 to
Mr. Moore.

President Wilson:

"I was most gratified to hear of the
nomination of former Mayor James D.
Phelan for United States Senator. He has
been in close touch with the administration
in Washington, and has heartily supported
the policies which have been inaugurated
for the benefit of the people—

"Therefore, I appeal not only to
Democrats, but to all independent citizens
to rally to the support of the men who
have expressed a willingness to sustain the
administration and carry on the work de-
signed for the benefit of all."

Woodrow Wilson

JAMES D. PHELAN
James D. Phelan was three times Mayor
of San Francisco.
Prevented renewal of franchise of old
Golden Gate railway, San Francisco,
thus making present successful municipal
line possible.
Appointed first woman who ever held
an important public position in San
Francisco.
Served as regent of the University of
California.
Commissioner to secure re-enactment of
the Geary Asiatic Exclusion Law.
Commissioner for Hetch Hetchy legis-
lation before Congress to secure a
mountain water supply for the cities
around San Francisco Bay.
Commissioner to Europe by appoint-
ment of President Wilson to support
the United States Government's invita-
tion to foreign countries to participate
in the Panama-Pacific Exposition.
Declined ambassadorship to one of the
great European nations, preferring
service at home.
Led in the fight for a new charter for
San Francisco, which insured home
rule, civil service reform, responsible
raised standard of pay for laborers in the city employ.

**COUNTY REGISTRATION IS
NOW NEARLY 12,000**
Complete registration figures com-
piled by County Clerk Nash show
a total for the November election
of 11,856. This represents a gain
of 691 since the books closed for the
August primary. The gains by
townships were as follows:
First, 201; second, 252; third,
213; fourth, 29 and fifth 23.

Formerly, before woman suffrage
was attained, the estimate on the
population was based on 6 to 1 for
each voter. Assuming that half
of the registered voters are now
women, the ratio should be cut in
half which with a population of
three to every voter, would give us
35,568 or a gain of about 10,000
in four years, since the census of
1910. As a matter of fact the
number of women registered is not
equal to the men which would raise
the ratio and give even a greater
population than the figures indicate,
provided the percentage is correct.

**MOTORIST JUMPS, MISSES
TRAIN AND SAVES LIFE**
Jumping from his motorcycle in
the nick of time, Archie Mayberry,
a young chauffeur of this city, nar-
rowly escaped being struck by a
rapidly moving train at the Spruce
street crossing shortly before 5
o'clock Saturday evening. The lo-
comotive struck the motorcycle and
threw one of the wheels into the
yard of the Roadmate Co., sev-
enty-five feet distant.

At the point where the accident
occurred there are four parallel
tracks and a freight train obscured
the oncoming passenger.

Mrs. M. S. Cooper and Mrs. Cummings were the hostesses at the Women's Club card party last Tuesday night and managed affairs so that all present spent a most enjoyable evening. Mrs. L. M. Kirkpatrick and Mr. Gunther won prizes for the high scores.

Fourteen members of the local Masonic lodge went to San Mateo Thursday night to see a team composed of San Francisco policemen put on a third degree. Visitors from all of the lodges of the Peninsula were present and enjoyed the work which the team exemplified in a splendid manner.

Mr. Moffatt, while driving W. W. Stethelm's rig into town last Monday evening, was run into by an automobile driven by George Debenedetti. The vehicle was badly damaged. There will be no criminal prosecution as Mr. Debenedetti has agreed to pay for all damages done by his machine.

Alex Wilson, head booker for Balfour Guthrie of San Francisco, was in Redwood City Saturday completing arrangements for erection of new home in Dinkey Park. Mr. Wilson lived in Redwood City in 1908-1909 and feels that this is the best place for a home with in commuting distance of San Francisco.

At the last meeting of the town council, Marshal Coleman was instructed to enforce the law compelling those driving vehicles and automobiles to keep on their proper side of the street while going through or stopping in this city. Mr. Coleman says he will enforce the law and warns all to take notice.

The annual masquerade ball to be given by Court Madrone, F. of A. in Foresters' hall on Thanksgiving eve is already attracting the attendance of dance goers. Good music has been engaged for the occasion. Sixty door prizes will be awarded as well as a number of cash prizes to best sustained characters.

Congressman E. A. Hayes and his brother, J. O. Hayes, were in town Thursday calling on friends. Mr. Hayes arrived from Washington that morning and on his way to his home at San Jose stopped here for a while to greet his friends. He has little or no opposition for reelection. His friends say he will receive a majority of 5000 votes in San Mateo county.

Asa Hull has returned from the dairymen's convention held at Modesto last week. Many able professors addressed the meeting, giving some scientific information about making butter, the manner of feeding cattle, etc. The meeting was very instructive. Mr. Hull is very enthusiastic about the business activities of the Town of Modesto.

A man giving the name of G. Korthof was arrested yesterday by Marshal Coleman for stealing a bicycle out of the basement of the

Samuel M. Shortridge will shortly move down from the city his hands and home here. No man in the State is more beloved than Mr. Shortridge and his coming will be hailed with delight by the people of Menlo Park.

A nine from troop I will play the local team game of baseball on the local diamond tomorrow afternoon. The contest will be interesting. All the fans will be out to see the game.

Walter Parker has rented the old Loveland cottage on Railroad avenue. Mr. Parker is a tonsorial artist who formerly resided in the Schenkel parlors in the Cox-Redwood City. He has taken charge of the place.

Mr. and Mrs. Milo Kent, who resided here all summer, have taken a house in the city for the winter months. They made a great many friends while residing here and it is to be hoped they will return when summer comes again.

A contract was filed in the county recorder's office at Redwood City on Wednesday by and between the vestry of Trinity Episcopal church and Weeden Bros.,

whereby the latter agree to erect, by February 15, 1915, a parochial residence for the pastor. The stipulated price is \$8000.

M. Sheehan is gaining votes here every day. The people know his qualifications and they are going to vote for him. A straw ballot was taken the other day in one of the principal places in town at which 20 people voted. The result was as follows: Sheehan 17, Mansfield 3. This is only a fair indication of how the voter is going to cast his ballot on November 3d.

John MacBain has been awarded a contract to repair and build additions to the old Seal Rock pavilion on the beach at San Francisco for \$6000. He will also rebuild the old Seal Rock house which adjoins the pavilion at a cost of \$30,000. The old building was one of the famous resorts at the beach. The property belongs to the Hoteling estate.

At the annual meeting of the St. Elizabeth Sewing Society held recently, the following officers were elected for the coming year: Mrs. E. E. Mahoney president, Mrs. J. L. According to the printed register about to be distributed to the various precincts of the county, there are 374 voters in precinct No. 2 and 248 in precinct No. 1, Menlo Park, making a total of 622. This is a gain of 22 votes over that of two years ago. It is believed that Fredericks will receive about 100 more votes than Johnson in the two precincts. Curtin will get a big vote in Menlo.

D. P. Harkins was severely injured in a foot ball game at Berkeley last Saturday in the contest between the Barbarians and the University of California. Young Harkins played with the former and during the game was knocked down and kicked in the head. The attending physician found it necessary to put three stitches in the young man's head. The worst of all the game was lost by the Barbarians. This may be attributed to the injuries sustained by Harkins who was one of the star players of the team.

A troop of U. S. Cavalry has been camping in the Johnson field near town all week. The troop will remain here until next Monday. From this point the government is making its annual test of endurance of its officers. Three tests are made. The officers must ride thirty miles in eight hours the first day, the same distance in seven hours the second day and the distance must be made in six hours the third day. If the officer fails he must leave the army. Judges appointed by the General in command at the Presidio accompany the men in these tests.

DOINGS ABOUT THE COUNTY OFFICES

Matters of General Interest to Litigants Culled from the Public Records.

The suit of the Bass, Hueter PaintCo. against A. P. Chesney and others has been dismissed in the Superior Court. The case of E. Lacey and others against Patrick Doyle and the case of the A. L. Stockton Lumber Co. against Patrick Doyle have been dismissed. The notices of dismissal in all the cases were filed in the county clerk's office yesterday.

Final Account is Filed. John Kyne, administrator of the estate of Mary Kyne, deceased, has filed his final account. The account shows the total value of the estate to be \$20,414.28. It consists of cash on hand amounting to \$2654.28, two promissory notes amounting to \$7500 and real estate at Moss Beach valued at \$10,250. The amount paid out was \$858.

New Probate Applications. Curran Clark last yesterday afternoon filed the last will and testament of his mother, the late Sarah F. Sanborn, who died near Redwood City on October 12, 1914. The estate consists of property at Coronado, San Diego, valued at \$1000, cash in bank amounting to \$2000, bonds \$3500. The will is dated March 13, 1913. The bulk of the estate is bequeathed to the petitioner. The deceased left a list of small bequests to friends to be delivered by the executor without the supervision of the court.

New Building Contracts. The following builder's contracts were filed in the county recorder's office during the week:

The Raymond Granite Company agrees to erect for G. Stanglunet in 10 days, a granite mausoleum in the city of Los Angeles, Colma, for \$4850.

Weeden Bros. agree to erect for the wardens and vestry of Trinity Episcopal Church, Menlo Park, a parochial residence by February 15, 1915 for \$8000.
